4 Do I need to fill out an application for each child?

No. You only need to submit one application per household, even if your children attend more than one school in Northside ISD. The application must be filled out completely in order to determine if your child is certified for free or reduced-price school meals. An incomplete application cannot be approved.

5. Will the information I provide be verified?

Yes. Your eligibility may be verified at any time during the school year. School officials may ask you to send written evidence which shows that your child(ren) qualify for free or reduced-price school meals. The information you provide will be used to decide if your child(ren) is/are eligible for free or reduced-price meals.

6. When should I submit a Free & Reduced-Price Meal application?

You may submit a Free & Reduced-Price Meal application at any time during the school year. If you are not eligible now but experience a decrease in household income, an increase in household size, become unemployed or receive food stamps or TANF, you may complete an application at that time. Households interested in this benefit must apply for the program every school year.

7. My child's application was approved last year. Do I need to fill out a new one?

Yes, a new application must be completed each year to determine eligibility. If you do not have a current application on file, meal benefits from the previous school year will expire on the 31st day after the first day of school, which means that students will be charged full price for school meals after October 10, 2023.

8. What if I received a letter stating that my child is directly certified?

If you received a notification letter that a child is directly certified for free or reduced-price meals, do not complete an application. Let Child Nutrition know if any children in the household attending school are not listed in the letter.

9. How long does it take to process an application?

The application may take up to 10 working days to be processed once it reaches the Free & Reduced office. After the process is complete, you should receive a notification letter by mail. If you do not receive a letter, you may contact us at (830)357-2165.
