Math Module 7

On Monday, third grade will take an "End of Year MAP Growth Assessment". This assessment is a resource we use to analyze the growth and progress your child has made, specifically in math, during the course of the school year. In addition, this assessment will provide a report that will highlight areas of strength and areas of difficulty for your student based on his/her performance since the problems encompass all of the third grade math skills we have learned throughout the year. **A blue Module 7 DCA Study Guide Packet was sent home on Wednesday, May 1st in your child's red take-home folder. Please have your child return it (completed or not) by Tuesday, May 7th for our class review. Students will complete their Module 7 DCA on Wednesday, May 8th.**

Module 7 DCA Dates: Chacon - Day 3 - 5/8 Williamson - Day 4 - 5/8 Pinto - Day 2 - 5/9

Science Unit 8

Students will begin "Unit 9: Investigating Life Cycles". In this unit, students will identify and compare the physical characteristics of young and adult organisms; describe and compare the life cycles of various organisms including tomato plants, wheatgrass, frogs, and insects. **Vocabulary:** life cycle, germinate, seed, seedling, young adult plant, adult plant, egg, larva. **Students will receive their Unit 9 Study Guide on May 10th. Students will take their Unit 9 DCA on May 17th.**

*Students can access science content by using the [BoerneISD student portal](#) to log into Discovery Education.

Reading/Language Arts

We will continue our novel study on Charlotte's Web by E.B. White! We will be putting all of our reading skills into practice as we analyze and enjoy this award winning children's novel. In writing, we will respond to our reading, and work on our revising and editing skills, and analogies. In phonics we will build fluency with vowel teams and multisyllable words. **Your child can read nightly for twenty minutes or use I-Station in Clever: Reading nightly helps to build stamina and fluency with your child's independent reading, please encourage your child to try a new genre.**

Social Studies

We will continue our Biz World Unit! Students were placed in groups and came up with their company name, values, and signed their business contract. They also brainstormed bracelet designs and explored advertising. Next week, students will manufacture their bracelets and decide on pricing. 2nd graders will visit our "store" on Friday, May 17 to buy bracelets with Biz Bucks!

Steps 2-5 for each additional student

All new AND returning students need to complete the online registration. Details here. Student registrations helps us allocation teachers. Please register even if you are unsure if you're returning. Click the link below!

<https://www.smores.com/n/grmhc-boerne-isd-registration-info?ref=email>

Thank you families for quickly taking care of this. Please help spread the word that all students returning need to re-enroll. Please also help spread that incoming PK-5th graders that are NEW to FORES also need to enroll as quickly as possible.

Please complete your registration for the 24-25 school year *as soon as possible*. Please give us a call if you need any assistance.

- ALL RETURNING students (including PK and walk-in speech) will register in Skyward. Please do this as soon as possible.
- Returning student registration is quick and only takes about 5 minutes if all of your information has stayed the same.
- Enrollment *s affects our teacher allocation *s for 24-25 & could be the difference between adding a teacher in the summer versus adding one in Sept.
- If you are unsure if you are returning, please go ahead and register so we have a place for your child(ren).
- If you are transferring to another BISS campus, please still register. We can transfer the enrollment to the new campus when the time comes.
- 5th grade families will also register. The file will say 24-25 VMS registration.
- If you 100% not returning, please notify the front office and your homeroom teacher.
- Once you start the registration process, please don't forget to "submit" on the final screen.

Please contact our registrar, Mrs. Angela Perez, if you have any questions or need assistance. angela.perez@boerneisd.net or 830-357-4800.

VOLUNTEERS needed

Hi 3rd Grade Parents!

As a grade level, we are in need of some **awesome** parent volunteers who would be willing to use any extra time they have to come and help our grade level with all of our workroom needs! If you are interested and have the availability, please take a moment to fill out a time slot by clicking the following [link](#). We appreciate your support and can't wait to see you! ☆

ALL PRO DAD FORES CHAPTER

All Pro Dad Chapters provide an opportunity for dads (or dad-like figures) to spend quality time with their children that will strengthen their relationship. For one hour each month, you'll get to join other dads and kids at FORES for a fun filled morning!
