How To Calculate Your College Hours

Dual Credit:

You must log into your College Account (ACES, ASU, or UT) and download an unofficial transcript. This will show your total earned credit hours for college.

Don't forget you will also need to send a copy of your college transcript (from each place you took DC) to the college you decide to attend.

AP Hours:

Look up how the university you want to attend awards AP Credit hours. Each college awards credit differently based on your AP Test Score. You can find that info on specific college websites.

FAFSA Information

The TEA is requiring ALL students in the class of 2022 to complete a FAFSA as a graduation requirement. The first step is to create an FSA ID.

The FAFSA Worksheet tells you how to fill out the FAFSA. Pick one up in the counseling office before completing your official FAFSA at FAFSA.GOV

The FAFSA opens October 01, 2021.

Requesting Transcripts

Transcript forms are available in the main office, counseling office, registrar's office or online. They are turned in to Ms. Escalante in the registrar's office. [Transcript Request Form](#)

Colleges require ALL incoming students to submit a Final Transcript after graduation. Students will fill out a senior survey in May to indicate where their final transcript should be sent.

Recommendation Letters

Some college applications require a recommendation letter or comments from your counselor. In that event, you must provide your counselor with a resume and a complete "Recommendation Packet" Please give the counselor three weeks notice (15 school days) to complete the recommendation letter(s) from the date you dropped off the packet.
