Definition of Curricular and Non-Curricular Clubs

In Boerne ISD, we feel that part of the public school experience is for each student to have a group of students and activities that support the academic portion of the school. We value and encourage students to be part of school organizations and clubs. These groups supplement and enrich the required academic workload by providing experiences in collaboration, leadership, and service.

There are two types of “clubs” for students in Boerne ISD, Curricular Clubs and Non-Curriculum related Student Groups (or Non-Curricular Clubs).

Curricular Clubs are linked to specific content in the district curriculum. These are school sponsored “standing clubs” that exist year over year. While these clubs have a student leadership component, they have a faculty sponsor that may support their activities.

Non-Curricular Clubs are student-initiated and driven. These clubs start over each year as they are driven by the interests of the current student body. Non-Curricular clubs are only available to secondary students.

Expectations of All Clubs

Both Curricular and Non-Curricular Clubs are expected to:
- Obtain approval for additional club activities that take place on campus
- Obtain approval for any communications, postings or flyers that will be distributed outside of the assigned club meeting place/time.
- Obtain approval for guest speakers to come on campus (see BISD Agreement and Guidelines for Guest Speakers)
- Obtain parent permission to participate in club meetings and activities that occur on campus

- They are responsible for ensuring that any expenditures have been approved in the club minutes prior to submitting requests for activity fund expenditures to the campus bookkeeper.

- The staff monitor serves as a link between the campus and the club.

- The staff monitor shall ensure that an appropriate number of monitors based on the size of the group will be present for all meetings and activities held on the campus by the group.
- The staff monitor is responsible for ensuring safe and appropriate behavior of club members at all meetings and at all on campus activities.

Approval Process for Additional Club Activities
Clubs seeking to hold additional on-campus club activities that take place outside of their approved meeting place and time, must submit a request to the campus principal for approval using the district form for Approval of Additional Club Activities (see Appendix E). No activities that would result in an extension of a non-curricular club’s limited open forum beyond their approved meeting place/time will be granted. Guests and/or outside speakers are not permitted at meetings of non-curriculum related groups or clubs without prior written approval from the campus principal. Club activities must not interfere with the orderly conduct of educational activities within the school.

Parent Permission for Student Club Participation
Students Seeking to participate in student club meetings or other activities must first secure parent or guardian permission for all on campus activities. The student’s parent or guardian will provide this permission by signing the Permission Form for Participation in a Student Club (see Appendix C). This form will be submitted to the staff monitor for non-curricular clubs or to the club sponsor for curricular clubs.

Expectations Specific to Non-Curricular Clubs
All non-curricular clubs are expected to have an agenda for every club meeting. This agenda must be shared with the staff monitor prior to the meeting. All meetings will be conducted in accordance with the club by-laws. The club Secretary must keep a record of club member attendance for each meeting. This record must be shared with the staff monitor. Meeting minutes for each meeting must be kept by the club Secretary and shared with the staff monitor. Any motions/approvals to spend club funds must be recorded in the minutes. The club Secretary must also keep a list of current club members and share this list with the staff monitor. The principal or his/her designee may request club agendas, meeting minutes, attendance records and membership rosters from the club Secretary or the staff monitor at any time. Failure to produce these documents could result in suspension of club activities.
How to Start a Non-Curricular Club

Each year the campus will open a window for new club applications. This window will open the second week of school and it will close on the last school day in September. Students seeking to start a non-curricular club must:

- Submit a request, using the district Annual Application for the Establishment of a Non-Curriculum Related Student Group, Club or Organization (see Appendix A).
- Gain the consent of a faculty member to monitor the club/organization. The proposed monitor must complete and return an Employee Acceptance and Acknowledgement to Serve as Monitor Non-curriculum-Related Student Groups/Clubs (see Appendix B).
- Develop a set of by-laws, that follow the district non-curricular club bylaw guidelines (see club bylaw guidelines).

All forms, Annual Application for the Establishment of a Non-Curriculum Related Student Group, Club or Organization , Employee Acceptance and Acknowledgement to Serve as Monitor Non-curriculum-Related Student Groups/Clubs; and a copy of the by-laws must be returned to the office of the campus principal.

Non-curriculum clubs may not begin meeting until notification of approval has been given.

Additionally, all non-curricular clubs that were approved in previous years must submit a new request during this window. These non-curricular clubs start over each year as they are driven by the interests of the current student body. These requests should be submitted to the administrative assistant of the campus principal. The campus principal will respond within seven school days to non-curricular club requests from students that are submitted using the district form. Submissions received after the September deadline will not be approved.

If the non-curricular club request is approved by the campus principal, the non-curricular club will be assigned a meeting location and time for non-curricular club meetings to take place. Meetings for non-curricular clubs must take place during non-instructional time.

At the first non-curricular club meeting, the group will elect officers and approve the by-laws by majority vote. The list of non-curricular club officers and the approved by-laws must be submitted to the campus principal within one week of the first non-curricular club meeting.

Requirements for Non-Curricular Clubs (In accordance with BISD ISD Board Policy FNAB):

- The club/organization must be student-initiated and student-led.
- Each club/organization must have a monitor (faculty member), who must be present at all meetings and activities. Monitors are to serve in a non-participatory capacity, to maintain order and monitor student behavior.
- Non-school persons shall not direct, conduct, control, or regularly attend activities of student groups.
- The group members shall be responsible for managing any fees, dues, or other funds maintained by the group. The group shall establish guidelines for the use of any funds maintained as well as accurate record keeping. The District will not assume responsibility for maintaining financial accounts for non-curriculum-related student groups.
- Meetings must be conducted during non-instructional time before or after school.
- Attendance at meetings is voluntary, and all meetings/activities must be student-initiated and student-led. An attendance sheet shall be maintained for all meetings and kept on file with the monitor.
- Meetings must not interfere with the orderly conduct of educational activities within the school, and notice of meeting/activity dates and times should be scheduled in advance.
• Membership must be open to all students and must not discriminate in any manner yet is restricted to students currently enrolled at the campus.
• While on campus, students are expected to conduct themselves according to the standards established in the BISD Student Code of Conduct.
• All publications and materials associated with the organization must be approved prior to distribution in accordance with District policy.

**Limited Open Forums for Non-Curricular Clubs**

A District secondary school has a limited open forum for purposes of the Equal Access Act whenever the school grants an offering to or an opportunity for one or more non-curriculum-related student groups to meet on school premises during non-instructional time. 20 U.S.C. 4071(b), FNAB(LEGAL)

This creates an opportunity for student-led groups to express ideas and opinions to other students in the student-led group while they are meeting in their designated meeting place during non-instructional time.

These are the ideas of the students, not the campus or district.

The meeting is voluntary. The students may choose to attend the meeting or not. So, the students have a choice as to whether they will listen, participate, stay, leave, etc.

This limited open forum does not exist outside of the designated meeting place and time.

**Communication Regarding Non-Curricular Club Activities**

The campus will post a list of all current curricular and non-curricular clubs on the campus website. This list will include the club’s name and the name of the staff monitor. This list will be updated each year once the annual approval window for non-curricular clubs ends in September.

Approved non-curricular clubs may have their approved club meeting place and time announced as a part of the campus announcements. These requests must be submitted by a student club member, and they must follow the established campus guidelines for submitting announcements.

Any additional communications regarding activities or events for non-curricular clubs will require additional approval from the campus principal, with the exception of communications that take place at the non-curricular club’s meetings held at the non-curricular club’s approved meeting time. All flyers, posters, or any other written communication intended for distribution outside of the non-curricular club’s approved meeting time require this prior approval from the campus principal.

Non-curricular clubs are not sponsored by the school or the Boerne Independent School District and shall in no way imply to students or to the public that they are school sponsored. All letterheads, flyers, posters, or other communications that identify the group shall contain the following disclaimer:

*The student group, club or organization is a student-initiated group and meets on the campus during non-instructional hours in an assigned area and is not sponsored by the school or the Boerne Independent School District.*

**Training Expectations**

The campus principal will ensure that all prospective staff monitors are provided with a copy of the Non-Curriculum Related Clubs Handbook. Prospective staff monitors must review the Non-Curriculum Related Clubs Handbook prior to accepting a student’s invitation to assume the role of staff monitor for a student club.
Prospective staff monitors will sign the Employee Acceptance and Acknowledgment to Serve as Monitor Non-Curriculum-Related Student Groups/Clubs, acknowledging that they have read, understood, and will abide by the contents of the Non-Curriculum Related Clubs Handbook.

The campus principal or his/her designee will provide any student seeking to start a student-led club with a copy of the Non-Curriculum Related Clubs Handbook. Students seeking to start a student-led club must review the Non-Curriculum Related Clubs Handbook prior to submitting the District Annual Application for the Establishment of a Non-Curriculum Related Student Group, Club or Organization. Students seeking to start a student-led club will sign on the District Application for the Establishment of a Non-Curriculum Related Student Group, Club or Organization that they have read, understood, and will abide by the contents of the Non-Curriculum Related Clubs Handbook.
Appendix A: Annual Application for the Establishment of a Non-Curriculum Related Student Group, Club or Organization

Prior to any meeting, students desiring to form or continue a non-curriculum related student group, club or organization to meet on school premises must file this written request with the campus principal or designee.

The establishment of a non-curriculum-related student group, club or organization and its meetings must be voluntary and student-initiated. Non-school persons shall not direct, conduct, control, or regularly attend activities of such groups. Neither the school nor any school employees may endorse or promote such groups and school employees or assigned Monitors may only be present at meetings in a non-participatory capacity. Meetings of non-curriculum related student groups may not materially and substantially interfere with the orderly conduct of educational activities within the school. Requests shall be subject to the approval of the principal based on the availability of suitable meeting space and compliance with BISD Board policy (FNAB Local). No club or organization shall be authorized that, by virtue of its purposes, goals, or activities, promotes, encourages, or condones, directly or indirectly, participation in any conduct by students that is classified as a criminal offense under Texas law, or that poses a risk to the health, safety, or welfare of students (including but not limited to sexual activity by minors). Failure on non-curriculum-related student groups to comply with applicable rules may result in the loss of the right to meet on school premises and/or other sanctions as determined by the Principal or designee. Applications for establishing an organization must be submitted and approved annually.

Appendix B: Employee Acceptance and Acknowledgment to Serve as Monitor
Non-Curriculum-Related Student Groups/Clubs

School Year – 20_____ - 20_____

Name of Non-Curriculum-Related Student Group/Club: ___________________

BISD Board Policy FNAB(LOCAL) provides that students may initiate a group or club under the limited open forum status to meet on campus. The group must be student-initiated, student-led. Establishment of a group under the limited open forum requires that a campus professional staff member serve as a monitor in order for the group to meet on campus.

As a campus professional staff member on the campus where the student-initiated group designated above plans to meet, it is my intention to serve as the monitor for the group. I have read the Non-Curriculum Related Clubs Handbook and understand that as the monitor I must agree to the following:

• I must be present at all meetings and activities held on the campus by the group.
• I will ensure that an appropriate number of monitors based on the size of the group will be present for all meetings and activities held on the campus by the group.
• I will be responsible for ensuring safe and appropriate behavior of club members at all meetings and activities held on the campus.
• I will be responsible for maintaining attendance sheets for each meeting.
• I will ensure that a student has submitted a Parent Permission Form for Participation in a Student Club prior to attending any club meetings or on campus club activities.
• I will supervise the student(s) designated to control the group/club funds and ensure appropriate use.

As the monitor I understand that I may not help plan, advertise, or facilitate the group’s meetings or activities held on the campus. I am aware that I am not to participate in any discussion and will abide by these restrictions. I also understand that my role as a monitor is limited to on-campus activities. (If I am an employee serving as a monitor for a group and also happen to be a parent of one of the members of the group, I understand that I must be careful to adhere to the responsibilities as a monitor while on campus and to separate my role as a monitor/employee if attending a function held off campus as a parent. I understand that there can be no perception that the group’s off-campus activity is school-sponsored.)

My signature on this form is to verify my acceptance to serve as the monitor of the group named above and to acknowledge the responsibilities of the position of monitor. I acknowledge that I have read, understood, and will abide by the contents of the Non-Curriculum Related Clubs Handbook. I understand that failure to fulfill the duties delegated to the monitor or by actively participating with the students in the group that I will forfeit the role and that the group may have to disband if another campus professional staff member cannot be found to monitor the group.
