

Dear Cibolo Creek Elementary School,

I am very honored for the opportunity to contact you today as the new principal for Cibolo Creek Elementary School. This year will be full of excitement, and I am looking forward to getting to know all our teachers, staff, students, and families.

Although new to Boerne Independent School District, I can already tell it is full of warmhearted people and bright students.

A little more about me, I have more than 20 years of experience in education. My passion is creating a collaborative community where students, families, and educators come together to create an environment that is encouraging, enriching, and engaging.

I am a graduate of Chapman University in Orange, California, where I received a BA in Psychology. After moving to Texas, I continued my studies at the University of Texas San Antonio, earning an MA in Counseling, and an MEd in Educational Leadership from Concordia University in Austin, TX.

In addition to recently completing my seventh year as a principal, I have served as an early childhood specialist, teacher, instructional coach, and assistant principal. When I am away from my school family, I enjoy spending time with my fiancé, Scott and my 18-year-old son, Eric.

I am thrilled to be the new principal at Cibolo Creek and would like to invite you to come to meet me in-person next Wednesday, June 26 in our campus library at 5 pm for faculty and staff and 6 pm for parents and students.

I look forward to meeting you there!

Krista Nail
Principal
Cibolo Creek Elementary
