BEFORE WE GET STARTED

DEADLINE: October 19, 2023

Thank you for taking the time to apply for a Teacher Innovation Grant. Please note that all applications will be sent for approvals before being submitted to the Boerne Education Foundation Teacher Innovation Grant Committee.

*** NEW TO OUR 2023 APPLICATION ***

This year, BEF would like to allow applicants the opportunity to attach an optional video to accompany your application. We recognized in 2022 during our Silver Tank application process that we can see a different side of potential grant winners when they are given the opportunity to further explain their ideas for requesting grant money.

Written answers are still a very important part of our grant selection process. You may choose to provide brief written answers and further explain on a video submissions. It is our hope that by opening up our submission in this way, we may be able to see a greater connection between you and your vision for how to use your grant money.

Please reference the Boerne Education Foundation website for guidelines on the grant process.

2. Approval Process *

After the grants are submitted, they are sent to the campus Principal to ensure the materials and goals of this grant are aligned to the Campus Improvement Plan. Once approved, the applications are sent to the Teaching and Learning Coordinators to certify that the materials and goals of this grant are aligned to district goals. The final step is to confirm that the grant does not contain any identifiable information and to submit to the Boerne Education Foundation Teacher Innovation Grant Committee.

Check all that apply.

- ☐ I understand the Approval Process and I am ready to continue!
- ☐ I understand I am at risk of my grant not being considered if it does not follow the outlined guidelines for Boerne Education Foundation.
- ☐ I understand if my grant is funded that I will be required to complete a survey in the Spring providing feedback on the implemented grant.

3. Technology Items *

Grants including technology equipment, require an initial quote and approval; if selected, the recipient will need to re-quote for current pricing. The quote must come from BISD-approved vendors from the BISD Technology Department.

Mark only one oval.

- ☐ My technology item was quoted through Technology and I am ready to continue!
- ☐ My grant request is not related to technology and I am ready to continue!
