Advancement Via Individual Determination

Mission Statement:
AVID's mission is to close the opportunity gap by preparing all students for college and career readiness and success in a global society.

What is AVID?

AVID is an academic program that focuses on writing as a tool of learning, the inquiry method, collaborative teamwork, and reading. AVID students are enrolled in a rigorous curriculum as well as an elective.

The AVID elective class provides:

- academic instruction
- tutorial support
- motivational activities

AVID Objectives

To provide academic instruction and other support to prepare students for success in high school and beyond.

To motivate and equip students to see themselves as successful college and workforce bound students.

To develop leadership skills

To learn and demonstrate the habits of successful students.

Who Qualifies for AVID?

- GPA - 70 and up
- Average-to-high test scores
- Desire and Determination
- College potential with support
- High Attendance Percentage
- Good Citizenship
- Students who have desire and are motivated to succeed

What AVID is not:

- AVID is not an “at-risk” program.
- AVID is not for students who fail to complete homework or consistently receive grades of “D” or “F.”
- AVID is not for unmotivated students.

The AVID Parent

AVID parents encourage their students to achieve academically, participate in site team meetings, attend family nights, and maintain regular contact with the AVID coordinator.

The AVID Curriculum

Based on rigorous standards, the AVID curriculum was developed by middle and senior high school teachers in collaboration with college professors. It is driven by the WICOR method, which stands for writing, inquiry, collaboration, organization, and reading. The AVID curriculum is used in AVID elective classes, in content-area classes in AVID schools, and even in schools where the AVID elective is not offered.

How to join AVID?

There is an AVID application that must be submitted prior to approval into the program. Be prepared to answer the application in its entirety. Each student must be prepared to submit one teacher letter of recommendation in the application.
