Classroom: D120
Conference Period: 3rd
Remind Code: @d879bf2

Course Description: Biology is the natural science that studies life and living organisms, including their physical structure, chemical processes, molecular interactions, physiological mechanisms, development and evolution.

Course Content: The following Units will be covered in each course.

- | | |
|---|---|
| Unit 1 – Cell Structure | Unit 7 – Evolution |
| Unit 2 – Cellular Processes for Homeostasis | Unit 8 – Taxonomy |
| Unit 3 – Cellular Processes for Energy | Unit 9 – Animal Systems |
| Unit 4 – The Cell Cycle | Unit 10 – Plant Systems |
| Unit 5 – Nucleic Acids & Protein Synthesis | Unit 11 – Ecosystems |
| Unit 6 – Genetics & Epigenetics | Unit 12 – Current Developments in Biology |

Required Daily Materials:

- | | |
|-----------------------------|-------------------|
| ● Folder | ● Colored Pencils |
| ● Composition Book | ● Chromebook |
| ● Notebook Paper | ● glue stick |
| ● pen, pencil & highlighter | ● headphones |
| ● scissors | |

Supplies that are GREATLY appreciated:

- | | | |
|---------------------|---------------|----------|
| *disinfectant wipes | *paper towels | *kleenex |
|---------------------|---------------|----------|

Grading: 50% Daily and Test

Quizzes: Quizzes will be given on a regular basis. These are given often and most are in digital format.

MAKE-UP/RETEACH/RETEST: All students have the opportunity for a reteach/retest. Work is posted on Google Classroom. MAKE-UP WORK IS YOUR RESPONSIBILITY.

LATE WORK: Late work is accepted for the purpose of mastery of content. There is a late point deduction of 10 points per day late.

Parent Conference Hours: 24 hour notice is appreciated.

CELL PHONE POLICY:

Per BISD Student Handbook--”Students are allowed to have a cell phone, as long as it is **TURNED OFF, OUT OF SIGHT and DOES NOT INTERFERE WITH INSTRUCTION.**”
