

# Van Raub Elementary School

"Future World Changers"

Jamie Robinson, Principal

Matthew Whyte, Assistant Principal

Rachel Franco, Counselor

August 28, 2018

After our last traffic study with our Fair Oaks Police Department, BISD Facilities Director, and BISD Safety Coordinator, and aerial footage with a drone, it was determined that we will switch the bus and car pickup and drop-off locations. This will be effective beginning on Wednesday, August 29, beginning in the morning. Thank you for your understanding and flexibility.

## **Drop-off**

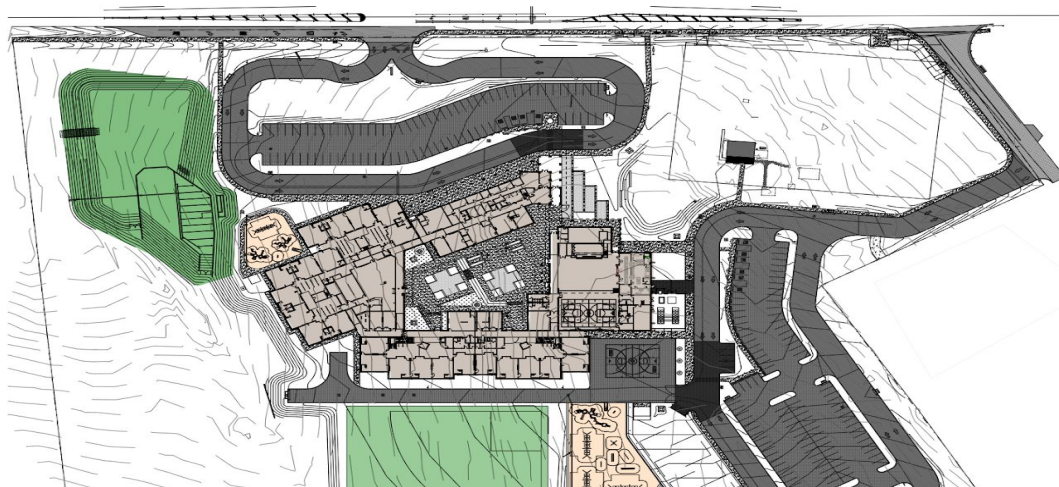

- Vehicles will be utilizing the front drop-off in a single file line into the front loop. Please pull up far into the loop to help make sure vehicles are off of Dietz-Elkhorn. Students will walk to the same entrances as before.
- Buses will pull to the back loop and students will enter the cafeteria doors near the main gate towards the office, just as before.

## **Picking Up**

- For car pickup, you will enter the front loop off of Dietz-Elkhorn. We will continue the double stack and use the colored car tags and procedures we ironed out. Please pull up to the front crosswalk until directed to move forward in two lanes. We will have staff walk students to vehicles. Keep your car in park. Remain in the car and staff will load your students in the second lane and Safety Patrol and staff will help load in the inside lane.
- If you are walking up, please park in the front parking lot across from the office and walk across the crosswalk to the pavers area.

**Dietz-Elkhorn (cars enter the front loop / parent parking)**

**Knoll Road (buses and staff)**

If you have any questions or concerns, you may call me at 830-357-4105 or email me at [jamie.robinson@boerneisd.net](mailto:jamie.robinson@boerneisd.net). Thank you. Jamie Robinson, Principal
