☆Seniors: You are welcomed to come to the clinic and pick up a copy of your immunization record. If you received your meningitis shot more than five years ago; your college may require you to get another one. If you do receive another meningitis shot, please bring the proof to the clinic so I can update your records for your final transcript.

Parents: Thank you to those who are filling out your student's information for next school year. If your child has ADD or ADHD, please add that to the health condition. If your child uses an Epi-Pen, please put "Anaphylaxis" and the treatment is "Epi-Pen" instead of "allergies."
