Helpful Hints for 3-5 Parents

Real wood pencils are better because they sharpen much better. With other pencils, the pencil sharpener tends to "eat them." The teacher's favorite: Ticonderoga

Ever wonder what teachers really use in the classroom and need all the time?

- Post it notes for interactive reading activities
- Facial tissue, for sneezes and for wiping down the student whiteboards.
- Permanent markers for labeling.

Technology Needs

With the increased use of mobile devices, it is suggested that students bring their own earbuds to use in the classroom. These don't have to be expensive and need to be left in the backpack.
