September Childhood Cancer Awareness GOLD Out:

September is National Childhood Cancer Awareness Month and we know that our children are more precious than gold! Please join BISD in our 4th annual Gold Out Campaign as we attempt to raise awareness for childhood cancer in the Boerne area. The district is partnering with: Teaming Up to Fight Childhood Cancer, to raise money specifically for pediatric cancer research. The shirts are \$10 - \$7 from every shirt goes directly towards Pediatric Cancer research! See order form below. **We will wear GOLD every Wednesday during the month of September!**

PE – Coach Hendrix:

We are starting off our P.E. classes this year with a unit called Building a Foundation. Kindergarten through second grade are reviewing or learning new locomotor skills. In grades 3-5 we are concentrating on sportsmanship and team building. It is very important that we lay the foundation of teamwork and cooperation at the beginning of every year. In our Health Minute, we have been leaning all about our skeletal system. We are super excited about this year and PE and look forward to helping your child discover a love of lifelong movement.

Cafeteria Manager – Mr. Dennis:

When turning in a check for your child's lunch account, please make sure to have your child's name and ID number on the check. Thank you!

Nurse – Mrs. Sorrells:

For a fever of 100.4 or greater a student must be kept home for 24hrs until they are fever free. All medications must go through the nurse's office and come directly from the parent, not from the student. For example: Do not send Tylenol, tums, or any medication with your child. All medications must have a Dr's order and be in their original container and kept in the nurse's office (even over the counter medications).

Dress Code:

The BISD Dress Code Policy was updated at the past August School Board Meeting. If you have specific questions about the dress code, we would be happy to assist you, please let us know. At Curington, we encourage our students to dress for success. [BISD Dress Code Link](#)

Walk-A-Thon, October 11th:

Curington PTO has one fundraiser per year. WALK A THON (WAT) is an all-day event that raises money for our school. This year our theme is COUGAR FIT! Students are encouraged to gather pledges and walk as many laps as possible during the day. There is food and activities available for purchase with tickets. WAT is an all hands-on deck event! All family members are encouraged to participate. We encourage all family members to participate.
