Nurse/Clinic

In order to reduce the number of healthy students who frequent the clinic daily for non-illness related visits, each classroom will be equipped with basic first aid supplies (i.e. band aids, lost tooth treasure box, etc.) to treat minor first aid needs.

As always, our nurse will be available to see students in the clinic who are ill, presenting symptoms of COVID-19, and any/all emergencies.

Please make an appointment with Nurse Cluck to drop off student medications.

Please reach out to Nurse Cluck with questions regarding Covid-19
