Why Are We Here?

- The Elementary and Secondary School Act, Title I Part A, requires that each Title I school hold an annual meeting for the parents and families whose children receive Title I services.
- The purpose of Title I under the Elementary and Secondary Education Act of 1965 (ESEA) is to ensure that all children have a fair, equal, and significant opportunity to obtain a high-quality education and reach, at a minimum, proficiency on challenging state academic achievement standards and state academic assessments.

What You Will Learn:

- What it means to be a Title I, Part A Targeted Assistance school
- A 1% “set-aside” for parent and family engagement and its allowable uses
- The Campus Improvement Plan (CIP) and Title I plan
- The School Parental Involvement Policy and the School-Parent Compact
- How to request information about the qualifications of my child's teachers
- How to request a meeting
- What curriculum is used
- How and when parents and families will be notified if their child is taught by a teacher who is not certified in a content area
- How and when the annual evaluation of the parent and family engagement policy and program will be conducted
- The ways in which parents and families can be involved to partner with the school to share the responsibility for improved student academic achievement

What is a Title I School?

Being a Title I, Part A school means receiving federal funding (Title I, Part A dollars) to **supplement** the school's existing programs. These dollars can be used for...

- Identifying students experiencing academic difficulties and providing timely assistance to help these students meet the State's challenging content standards.
- Purchasing supplemental staff, programs, materials, and supplies.
- Boerne ISD currently elects to spend the bulk of the funds on salaries.
- Parents are encouraged to give input on how we spend the funds.

*The total Title I, Part A allocation to Boerne ISD is \$609,964. **Boerne ISD, with input from stakeholders, currently elects to spend the bulk of the funds on salaries.** The district has allocated approximately \$558,000 in salaries for 10 people (2 teachers and 1-2 teaching assistant per campus). We reserve 1% for parent activities such as this (\$6600). An amount is set aside for mandatory provisions (homeless youth and youth living at neglected and delinquent facilities) and the allowable 4% we can use for indirect expenses. BISD allocates \$165,000 to KES for salaries for extra personnel most other campuses don't have.*

1% “Set-Aside”

Any school district with a Title I, Part A allocation exceeding \$500,000 is required by statute to set aside 1% of its Title I, Part A allocation for parent and family engagement. Of that 1%, 5% may be reserved at the LEA for district-wide initiatives and administrative expenses related to parent and family engagement.

- Of the 1%, 95% must be allocated to the Title I schools in the LEA to implement school-level parent and family engagement
- Title I parents have the right to be involved in the decisions regarding how these funds will be used for parent and family engagement activities

District Title I Plan

- Title I parents have the right to be involved in the development of the CIP

Annual Evaluation

- The content and effectiveness of the parental involvement policy and program must be evaluated annually. *Boerne ISD asks for parent questionnaires and surveys.*
- Identify barriers to participation in parental involvement. *Please share ideas about how to increase parental involvement (time of meeting, content of meeting, etc.).*
- Report findings to parents and families and use those results to revise the parental involvement policy and school-parent compact. *Our surveys reflect general satisfaction about the program. However, there is some feedback about parents wanting more information about how their child is progressing academically.*
- The surveys are paper surveys distributed at our Spring parent event and an electronic survey sent out at the end of the school year.

School-Parent Compact

The school-parent compact is a written agreement...

- That addresses high-quality curriculum and instruction
- That describes how parents and families, school staff, and students share the responsibility for improved student academic achievement
- That stresses the importance of frequent communication between school and home, and the value of parent-teacher conferences (required in elementary schools)
- That affirms the importance of parents and families in decisions relating to the education of their children
- Title I parents have the right to be involved in the development of the school-parent compact

Questions

Notes from the Meeting

The meeting began with the students at reading stations with teachers reading a story to them while parents met with Mrs. Charest in the library. Mrs. Charest began the presentation and explained what a Title I campus was. We reviewed and discussed the options for spending the Title I funds on a campus and parents provided input that using the funds for teachers was their preference and some stated their child had made much progress already in the program. All agreed that face-face instruction was the most beneficial. We talked about what the options were for spending any funds available beyond the salaries of the Title I funded personnel and all agreed that spending it on technology devices for the students would be a good idea. We discussed the Title I Family Engagement Policies and there were no suggestions for change. We talked about the Parent-School compact and how a student's education is a shared responsibility. There were no suggestions for change on the compact. Mrs. Charest pointed out that the program evaluation survey will be distributed in paper format at the end of the year but that there was an electronic link to it on the Federal Programs webpage and that feedback can be submitted all year. A QR code was supplied for those that wanted a copy of this presentation. At the conclusion of the meeting, the parents joined their students in reading activities. The families enjoyed a snack while they attended the stations and visited with teachers and each other.
